

§ 900.4

Federal authorization means any authorization required under Federal law to site a transmission facility, including permits, special use authorizations, certifications, opinions, or other approvals. This term includes authorizations issued by Federal and non-Federal entities that are responsible for issuing authorizations under Federal law for a transmission facility.

FERC means the Federal Energy Regulatory Commission.

FPA means the Federal Power Act (16 U.S.C. 791–828c).

Indian tribe has the same meaning as provided in 25 U.S.C. 450b(e).

NEPA means the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*)

Non-federal entity means Indian tribes, multistate entities, and State agencies.

Permitting entity means any Federal or non-Federal entity that is responsible for issuing Federal authorizations.

Request for coordination means a request to DOE for coordination of Federal authorizations under this part.

Requester means an applicant that is seeking DOE coordination of Federal authorizations under this part.

Single Environmental Review Document means the total material that the permitting entities develop—with the lead agency for preparing the NEPA document being primarily responsible—and that DOE shall assemble, along with any other material considered necessary and made available by DOE, in order to fulfill Federal obligations for preparing NEPA compliance documents and all other analyses required to comply with all environmental, cultural and historic preservation statutes and regulations under Federal law. This information shall be available to the applicant, all permitting entities, DOE, and all Indian tribes, multistate entities, and State agencies that have their own separate non-Federal permitting and environmental reviews.

§ 900.4 Pre-Application mechanism.

(a) An applicant, or prospective applicant, for a Federal authorization seeking information from a permitting entity pursuant to 16 U.S.C.

10 CFR Ch. III (1–1–10 Edition)

824p(h)(4)(C) must request information pursuant to the terms specified in this section with a permitting entity, and notify the Director of the request to the permitting entity.

(b) Any request for information filed under this section shall specify in sufficient detail the information sought from the permitting entity and shall contain sufficient information for the permitting entity to provide the requested information pursuant to 16 U.S.C. 824p(h)(4)(C).

(c) Within 60 days of receipt of such a request for information, a permitting entity shall provide, to the extent permissible under existing law, information concerning the request to the applicant, or prospective applicant, and the Director.

§ 900.5 Request for coordination.

(a) A requester shall file a request for coordination with the Director.

(b) The request shall contain:

(1) The exact legal name of the requester; its principal place of business; whether the requester is an individual, partnership, corporation, or other entity; the State laws under which the requester is organized or authorized; and the name, title, and mailing address of the person or persons to whom communications concerning the request for coordination are to be addressed;

(2) A concise general description of the proposed transmission facility sufficient to explain its scope and purpose, including:

(i) The voltage and type of current (alternating or direct);

(ii) The length of the transmission line;

(iii) The design and height of the support structures;

(iv) The proposed route (including the beginning and ending nodes of the transmission project, and a brief geographical description of the proposed route);

(v) A map of the proposed route (if available);

(vi) Any ancillary facilities associated with the proposed route;

(vii) The proposed dates for the beginning and completion of construction and the commencement of service;

(viii) Whether the applicant for a Federal authorization of the proposed
